

**Asset Planner for the Arts provides access to asset management software that allows arts organizations to track the condition of their arts facility**

ArtsBuild has partnered with Ameresco to provide organizations with affordable access to Asset Planner for the Arts. Engineering firm Walter Fedy will lead the in-facility assessments, resulting in a complete inventory of your arts facility and its fixed components.

**Asset Planner for the Arts lets you:**

Track the physical condition of your facilities

Calculate the costs for the replacement of key building components

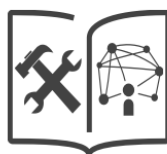

Prioritize needed capital improvements over detailed 30-year capital forecasts

**By providing an accurate snapshot of your facility's condition, Asset Planner for the Arts allows you to practice effective building management and proactively plan ahead for facility upgrades, maintenance, and capital projects.**

**What is Included?**

Site walk-through and building inventory by Walter Fedy

Two year operating license\*

Online training (via webinar) on the Asset Planner software with Ameresco and ongoing support for two years

Access to the ArtsBuild Ontario Learning Series

**Cost**

**Cost for this program is based on square footage\* of your building. Below are some sample cost ranges to help you understand the costs facing your organization:**

- If your building is under 20,000 square feet, the minimum cost is: \$600
- If your building is between 20,001-25,000 square feet, the minimum cost is: \$700
- If your building is between 25,001-30,000 square feet, the minimum cost is: \$900
- If your building is over 30,000 square feet, the minimum cost starts at: \$1,000+

**The Ontario Trillium Foundation has provided funds to reduce the cost of Asset Planner for the Arts to make it more affordable to arts organizations.**

**The above costs are to be used as a guideline only and are not formal quotes.**

**\*cost may increase in the event your facility is deemed more complex by the engineer and/or if it requires extensive travel.**
